

# Ride Ticket Program

## THE EASIEST WAY TO WIN PRIZES

- ✓ Each time you join us for a chapter group ride, you will be given both sides of a raffle ticket.
- ✓ The next time you come to a regular chapter meeting (2nd Wednesday of each month); you will tear off one side of the ticket for you to hold on to for a drawing and deposit the other side in the drawing bucket.
- ✓ Later in the meeting, we will pull a ticket from the bucket and if it matches your half of the ticket, you win that prize.

*One of the many perks of being a member*

*The more rides you go on, the more tickets you earn*

*Because you don't enter the drawing until you are present at a meeting, the tickets never expire*

**IT CAN'T BE ANY EASIER TO WIN**
