

# SUFFOLK LAKES TOUR TO FIND YER NUTS

TOTAL DISTANCE: 112 MILES

TOTAL TIME: 4 HOURS

Take the ferry across the James River and get rollin' through the Isle of Wight countryside towards the lakes and reservoirs of Suffolk. Along the way you'll pass by Garner Field, a grass airstrip used by the Tidewater Soaring Society, a local sailplane club.

With a major Planters Peanuts processing plant dominating the local industry for over a century, Suffolk is well known as the peanut center of Virginia. Ride into downtown Suffolk and stop at the local peanut store to find yer freshly roasted peanuts and other fine nutty snacks.

On your ride back to Williamsburg you may want to consider an ice cream stop in downtown Smithfield. There's an ice cream parlor on Main St. in the restored "Olde Towne" section of Smithfield ready to serve up many cool creamy flavors and concoctions.
